Be prepared. The first time you experience our new Massey Ferguson® 8600 Series tractors, it'll take your breath away. These are the most advanced row crop tractors in existence, offering unequalled engine and transmission technology that virtually does the work for you. More space, more comfort, more quiet than you could ever imagine. And e3® clean air technology that offers compliance without compromise. The 8600 Series. Not just a new tractor. A new day. Visit [masseyferguson.com](http://masseyferguson.com) to learn more.
