Hang On!

... **THERE'S MORE COMING.** While one rodeo season culminates in the excitement of the Wrangler® National Finals Rodeo, a new year begins before you can say, “Ride ’em, cowboy!” And just like we’re there when the world champions are crowned in Las Vegas, Hesston by Massey Ferguson®—the official farm equipment sponsor of the PRCA—will be a presence on the rodeo circuit throughout 2013. From Puyallup to Louisville, we’ll be on hand as a sponsor. Visit with us at a local rodeo or check out our website for merchandise, not to mention plenty of information on how to grow hay fit for a four-legged rodeo athlete.

■ For dates and other information on when Hesston and a PRCA Pro Rodeo are coming to an arena near you, see Hesston.com/community/rodeo. To order your own collectible Hesston/NFR belt buckle, visit ShopHesstonGear.com.
