YOU'VE HEARD ABOUT our MF9540 and MF9560 combines. These are the machines featuring the innovative V-Cool™, Trident™ Processor and simplified drive systems. Together, they can generate 20% more capacity using 20% less fuel*. And if you order a 2013 model from our 9500 Series by December 31, 2012, we'll include two great options: our NightBlaze light package which rivals daylight visibility. Plus our ergonomic, leather-trimmed seat that's both heated and cooled. Stop by your dealer today and see the light. Or visit MasseyFerguson.us.
