

On your farm, 14-hour days come standard.
So our **WORLD-CLASS** cab does too.

*Nothing in its class matches
the MF8690 cab for
comfortable efficiency.*

DAIRY FARMING is never easy. But we've made it a lot more comfortable, with our Massey Ferguson® 8690 tractor. It offers the largest, quietest, most technologically advanced cab in the business, featuring 67 square feet of room to work and a 360° view through 67 square feet of glass. Plus a standard air-suspended swivel seat with automatic weight adjustment. The MF8690. Another example of how we're delivering innovation from across the globe to help you farm your world.
