

The size you want. The power you need.  
The versatility you CAN'T DO WITHOUT.

The MF1526 features both a  
hydrostatic transmission

and best-in-class  
loader performance.

EVERY JOB ON THE FARM is easier when your tools are suited to the task. So we've developed the Massey Ferguson® 1526 compact for small farmers and property owners who want to do things right. Its ideal size, matched with 25 horsepower means better maneuverability and exceptional performance. Our MF1526 compact – the perfect balance of size, power and versatility. Another example of how we deliver innovation from around the globe to help you farm your world. See your dealer soon or visit [masseyferguson.us](http://masseyferguson.us)
