

Our CVT not only sets THE STANDARD,
it also comes that way.

*Our Dyna-VT transmission
has been tested and proven
for over a decade.*

THE WORLD'S MOST advanced CVT transmission, our Dyna-VT™ is the only clutchless, stepless CVT in the industry. It's also standard on our new Massey Ferguson® 8690 tractor. Simple, efficient and reliable, Dyna-VT is the leading technology for achieving infinite ground speeds at virtually any engine speed. And it's another example of how we deliver innovation from around the globe to help you farm your world. See your dealer soon or go to masseyferguson.us
