

MASSEY FERGUSON® COMBINES: MEET THE NEXT GENERATION

Ever since we perfected the self-propelled combine in 1938, each model has become an extended member of your family. Now we proudly introduce our 9500 Series. It's virtually rethought and reengineered, and its mission is simple: more capacity with less complexity. Come see how we did at the fall farm shows or visit www.masseyferguson.com.

MASSEY FERGUSON
