Look down your nose at the competition.

The new Massey Ferguson® 5450 with Hi-Visibility™ hood.

Searching for the ultimate loader tractor? You're looking at it. No other mid-range tractor can match the extraordinary visibility of the new MF5450 – the newest addition to the 5400 Series. You can actually see the tip of the loader bucket from your seat. In fact, there are no blind spots – anywhere. Our three-function left-hand power control on the steering column also means more convenient shuttling, powershift changes and fingertip declutching. And our variable shuttle engagement feature delivers maximum productivity whatever the load. The new MF5450. Stop by soon and see for yourself.

MASSEY FERGUSON is a worldwide brand of AGCO.
