Up for anything. Except downtime.

Day in, day out, your business depends on getting the job done. The last thing you need is a landscape tractor that holds you back. So we've made sure our Massey Ferguson® I600 Series offers the versatility you need to maximize every minute on the job. With six models ranging from 35 to 60 gross engine horsepower, robust steel and cast iron construction, the I600 Series is built to do everything. Except let you down.

Contact your local Massey Ferguson dealer today to get rates as low as 0% or go to masseyferguson.com.

Whether you're handling gravel with a loader or attaching a pallet fork to move sod, switching implements has never been easier, thanks to the skid steer attach feature available on the I600 Series.

MASSEY FERGUSON

MASSEY FERGUSON is a worldwide brand of AGCO.
